Dear parent/s,

Every year we take our Impact & Impact + youth groups on an annual weekend away in Shropshire.

The aim of the weekend is to give the group an extended opportunity to look at the Bible together, play some games, deepen friendships and have fun together outside of the church hall. **It really does make such a difference spending this time away together!**

In this letter you can find all of the information about our upcoming weekend away including:

- The costs
- Location
- Timetable & packing list.

There is an online form using this QR Code here.

You can also go to www.impactyouth.co.uk to find the online form. Please can you complete it before the deadline of December 18th.

If there are any financial difficulties, please reach out to me. As a church, we want to be generous, and help where needed.

If you have any questions my number is below!

Thanks,

Marco Hipwell - 07762330983

Spaces for the weekend away will close on Friday 18th December.
Please complete the online form asap to book your place.
